

Death the Last Enemy

Life is a journey and constantly changing. It is full of hills and valleys and sometimes, there are many mountains that we must climb. At the time, we think we will never get through the trials that life throws at us, but we do. As we travel along, I believe that God puts people in our lives to help us. Some stay for a few days; Others a few years and if we were lucky, some stay for a lifetime. I am thankful for all the wonderful friends I've had throughout my life. They have all been a blessing to me, but by far Phil was my greatest friend. Our souls were knitted together - we were as one. It reminds me of what Aristotle said. Friendship is a single soul living in two bodies. My hope is that everyone experiences this kind of friendship. And if you are, be very thankful and enjoy every moment. You have been blessed.
