

10 Steps to the Top: How to Climb Your Own Mountain and Achieve Your Potential

If you want to reach the top in business, academia or the media, the ten steps in this book will help you to assess yourself fully and write your own script for success. Steps include the need for self-assessment, setting career goals, getting the right job, moving up within a company, selling yourself, earning your keep, achieving status, increasing your value, making your voice heard, and recognizing opportunities. Each step is packed with information and includes special advice from the many high fliers, company executives and training officers that Marie Jennings has interviewed specially for this book.
