Miss Mays Tried-and-True Bachelorette Party Wisdom. Always the bridesmaid but never the bride? Miss Mays been there and done that. Her tips will help you plan your first (or fifth!) bachelorette party. As a veteran bridesmaid, shes racked up some dos and donts when it comes to what works and what doesnt work. Ive seen poorly planned parties add to the brides wedding jitters, not help them have fun and blow off the accumulated stress of the wedding countdown. If youre a bride planning your own bachelorette party, remember that this is your party, not anybody elses. Youve got to put your satin-heeled pump down firmly and make decisions that make you happy. Dont let well-meaning moms; in-laws, or friends overtake your personality and wishes.Repeat after me. Its my party!
