

Christmas Gluten Free Me

A fabulous Gluten Free Christmas that the whole family will love? This is my answer. Simple and easy dishes that are quick to make and delicious to eat - and no one need know that they're gluten free!

***** MY BEST KEPT CHRISTMAS SECRETS *****

As a private chef, I've cooked lots of Christmases for people who are limited by what they can eat, with gluten being a real problem for many. I've often been asked to release my free from recipes to the public, but I've resisted - up until now... How could I justify keeping these dishes to myself? So now it's time to let you in on some of my best kept secrets - I hope you love them as much as I enjoy creating them.

***** If there are particular dishes that you love, do please tell me on the Gluten Free Me Facebook page and upload your photos of recipes you've tried out - I love seeing your results: www.facebook.com/glutenfreemeapp (yes there's an app too!) Please try out my recipes, have lots of fun cooking and an amazing Christmas! Laura P.S. Many of the recipes are also free from dairy and contain no added sugar!
