

# HOW TO MAKE HIM (OR HER) LOVE YOU SO MUCH MORE: WITHOUT YOU EVEN TRYING

One day I decided to pay a visit to my former residence, it was 2 years after I moved out and relocated to a new residential area. When I got there, a former neighbour of mine just about my age screamed so happily ran out of her apartment and with her breast pressed tightly against my chest, she gave me a hug that said Please dont let me go!. Now I was so surprised, throughout our existence as neighbours, she never showed such affection. As a matter of fact, we were barely friends and I only knew her as a neighbour and nothing more. But after this show of affection, she acquired a place in my heart. Something she never did couple of years back, she did in a few seconds. I guess we all like it when someone commits to heart, wonderful things about us. Yeah why not?
