

Are you frustrated with the constantly increasing price of gasoline? Did you know there are hundreds of ways to reduce your consumption of fuel and cut your fuel costs, no matter what car you drive? Andrew P. Noakes teaches you how to drive, maintain, and care for your car in this practical reference manual. Broken down into quick, easy-to-digest segments and complete with a handy glossary and sample mileage log form, this guide can help you save up to \$100 per month—or even more. 101 Ways to Beat the Gas Pump is filled with icons, memorable illustrations, and hundreds of tips to show how we can all take action against the increasing price of gasoline and decrease consumption—improving our world and our lives while fattening our pocketbooks. You'll learn how to drive your car more efficiently, save money on gasoline, and drive in consideration of a healthier environment. Maximizing efficiency while commuting to work, driving on vacation, or running errands around town proves that you are far more in control of your gasoline burden than you think. By making small changes in your driving habits, you can help ensure a greener planet for generations to come.
