

Loving the Love of Your Life

Not too heavy, not too light, here is a fun and creative his and hers flip book to help couples express the love that is in their heart. This two-cover book is a fun, interactive approach for couples who want to grow closer and create lasting memories together. Husband and wife take turns reading through topics that give a dose of inspiration, a principle for application, and an activity for expressing just how much they love the other. The book gets left on the others pillow for the next turn of activity. Its an amusing and refreshing way for reaffirming those wedding vows and for building happy and meaningful moments together.
