

30 Days of Thanks

Thankfulness is something all of us need to practice more of. This journal brings you on a 30 day journey of thankfulness. Every day you get a quote to help you focus and space to write about three things you are thankful for. At the end of your journey you'll have a record to look back on in hard times, reminding you of what you were thankful for before. This journal is a great introduction to a daily writing or devotional habit.
