

Game Plan: Leadership Lessons from the Best of the NFL

NFL veteran Kendall Gammon is a proven winner. The long snapper has captured an NCAA title, participated in a Super Bowl and a Pro Bowl, has studied life's lessons with the NFL's most influential leaders. A highly sought, gifted motivational speaker, Gammon shares the invaluable principles that guarantee success in corporate, athletic, and family settings. Through interviews and personal observations, Gammon reveals the difference between dreamers and winners, those who long for success and those who build it for themselves. Stick with the winners. Choose mentors who lead by example and share their wisdom. Determine your own leadership style. Capitalize on your natural talents. Create your dream team. Select and empower people invested in your success. Envision and realize your own legacy. Chart your course and follow your plan. Become the coach you need. Develop self-coaching abilities that will last all game long.
