

This book will adhere to the three days and three nights time frame of the burial of Christ, as recorded in Matthew 12:40. The conclusion will be in keeping with the words of Christ and the experience of Jonah, by employing a literal view of the Scriptures. In addition, this book will require that conclusions be consistent with both Old and New Testament writings. After all, Christ is the fulfillment of the Old Testament Passover. This conclusion will dovetail the events of the Jewish Feast Days of the Passover Season, with the Passover events of Christ's life.
