

Its not every day you get sucked into a portal to Hell. Crystal Wynter's life is in turmoil. She's banished demons to Hell, only she's stuck there too, with the witch Gavin, a close friend and a good kisser, and Vince, who may or may not still be her boyfriend. As the trio struggle to survive demon attacks and traverse this hellhole, it soon becomes clear that Crystal must find a way to become magic incarnate again, or else they will be stuck, body and soul, in Hell for all of eternity.
