

## Redemption (Angel of Light Book 4)

Cael has escaped from Hell and has reunited with the love of his life, but at what cost? Broken in body and mind, he faces the consequences of the dark ritual he performed in order to get back to the human world. But was it all worth it? Two powerful foes face off in a fight between brothers over what is to be done about Stephan and the future of Katayl. Divided by age and differing morality, the tension leads to one of them making a mistake they can never take back. Desten continues his training, but finds himself at a crossroads one fateful night when the honeyed words of a demon tempt him into a binding contract that sets all of Aldexa on the verge of destruction.
