

Affair-Proof Your Marriage: Attachment Bonding vs. Relationship Bondage

This groundbreaking marriage enrichment guide is designed to pinpoint issues that negatively impact human attachment bonding, destroy intimacy and oneness, and create relationship barriers and bondage. This results in marriage partners feeling trapped rather than treasured, controlled rather than cherished, possessed rather than prized. In this guide, Dr. and Paula Potter set forth a therapeutic approach for breaking through these relationship barriers and bondage, and restoring relationship harmony, personal happiness, spousal intimacy and oneness.
