

For almost fifty-nine years, author Fons (Jimmy) Thorum and his wife, Annie, shared a love-filled relationship. In *Annie & Me*, Jimmy narrates their life and love story. In this memoir, he recaps both his and Annie's backgrounds before they met and then tells of their blessed time together. This memoir discusses how Jimmy and Annie were raised differently and under diverse circumstances, making it one of God's miracles they even met. With photos included, *Annie & Me* follows Jimmy and Annie as they meet, fall in love, marry in 1948, honeymoon in New York City, raise a family, earn a living, and enjoy life until Annie's death in 2007. In this tribute to Annie, Jimmy recalls the special person she was to him and others. He shares how they had fun together, worked together, held hands, hugged, and loved. *Annie & Me* offers a love story that held true for almost sixty years.
