

Does modernization in Asia mean westernization? Can Asia achieve modernity without westernization? How can Asia maintain its own cultural traditions in an age of globalization? How can Asian cultures, especially Chinese culture, facilitate modernization? The two articles in this work address these questions by examining various links between culture, modernity and development.

I Do but I Dont: Why the Way We Marry Matters, Finland as a Knowledge Economy: Elements of Success and Lessons Learned (WBI Development Studies), Forbidden Desires Fulfilled: Eros 1, Environment and Statecraft: The Strategy of Environmental Treaty-Making, Wrath and Ruin, Men of Brave Heart: The Virtues of Courage in the Priestly Life (Spanish Edition),
