

## Mercuriel: Aubrey Rising Book 3 (Volume 3)

Aubrey feels the weight of all those who have been lost to the war, and it is crushing her. As more of her friends suffer and families are ripped apart, she strengthens her resolve to defeat Mercuriel, the last and most powerful of the three sisters. Aubrey and her friends go on a series of dangerous missions to gather support, testing them more deeply than they could have imagined. Aubrey has to find within herself the strength to overcome endless challenges, as the war with the three sisters draws to a final, epic conclusion.
