

Worth the Wait boxed set (The Pledge and The Promise)

The Pledge Raised in a strict household, sixteen-year-old Courtland Murphy never had a date. But that was before the guy of her every dream basketball star Allen Benson asked her out. She's gone from never-been-kissed to dating the hottest guy in school. And now her new boyfriend is pressuring her to prove she loves him by having sex. But as a member of her community's Worth-the-Wait club, Courtland made a vow to stay a virgin. Now everyone from friends to family to fellow club members gives her different advice, from do it! to you made a pledge, girl! It would be so easy for Courtland to go all the way with Allen, but sometimes his charming personality leaves her wondering. Who knew being in love could be so confusing? The Promise Since she broke up with the hottest basketball player in school, seventeen-year-old Courtland Murphy has been the subject of a million rumors. The fallout from her relationship with Allen Benson has made Courtland more sure than ever that waiting to have sex is the right decision. But the drama's not over, especially with her own father acting strangely and Allen out to make her life a nightmare with his teammates' help. All except Aidan Calhoun, the new star player who's just moved from Atlanta. Aidan supports her involvement in the Worth-the-Wait club and the upcoming purity ball, and despite vowing to never date another baller, Courtland's falling fast. But can she trust her feelings for someone new when the people she's closest to may not be what they seem?
