

Too often, anthropological accounts of ritual leave readers with the impression that everything goes smoothly, that rituals are meaningful events. But what happens when rituals fail, or when they seem meaningless? Drawing on research in the anthropology of Christianity from around the globe, the authors in this volume suggest that in order to analyze meaning productively, we need to consider its limits. This collection is a welcome new addition to the anthropology of religion, offering fresh debates on a classic topic and drawing attention to meaning in a way that other volumes have for key terms like culture and fieldwork.

Another Chance: A Guide to Change Your Life with Love, Vivir positivamente: Guia practica para conseguirlo (Spanish Edition), Happiness Habits: Quickly Implement Routines and Techniques to Increase Your Productivity, Success, and Overall Happiness! (Personal Advantage Self Improvement Book 2), Find Me Happy, Globalization, Technology, and Philosophy, Honey So Sweet, Vol. 2, True Confessions: The Questionnaire Journal,
