Why are they here? Where are their bases? These are just a few of the questions answered by this book. Chariots of Gods or Demons reveals little-known facts about extraterrestrials, the universe around us and mankind itself. Our origin and development as a species, our relationship with extraterrestrials and attitudes that limit our growth are among the topics discussed. Chariots of Gods or Demons is must reading for beginners or experts the curious or die-hard enthusiasts. No other book offers such a fountain of facts and revelations on this topic. And finally, no other such book can change your attitudes about life the way this one can.
