

Soulsongs, Volume 3: Exploring the Law of Attraction

This volume, like its companions, offers ways to change our mental focus and thereby welcome more of what we want and less of what we don't want into our experience. The universal Law of Attraction and the emotional guidance system are at the heart of these writings. Simple and concise, Soulsongs are meant as a quick emotional pick-me-up, and readers rave about the results. Soulsongs are positive thinking in a nutshell, with explanations of why and how positive thinking benefits us. These 125 brief and sometimes humorous essays, inspired by the teachings of Abraham-Hicks, were originally emailed by author Karen Money Williams to subscribers world-wide.
