

Breaking Free from Sins Grip: Holiness Defined for a New Generation

Holiness describes a way of living made possible through an intimate, personal relationship with God. Holiness speaks of life and relationship, not letter and law. Breaking Free from Sins Grip takes us back to the time when a loving Father saw His children for the first time and dreamed big dreams for them. But this isnt a story about someone else long ago. Its as current as todays newspaper. Step into Gods story as you answer the call to holy living.
