

Cora: The Unwilling Queen

What if the ancient story of Persephone and Hades wasn't just a myth? Cora Dell has, up until her junior year, lived the ordinary life of an ordinary teenager. But that was before the dreams started—vivid dreams of another world and a darkly seductive stranger who whispers intriguing promises into her ear. When her dreams turn into nightmares, however, she suspects that her nightly journeys into this foreign world may be more than fantasy. With the help of her two best friends and an unexpected ally, Cora struggles to find a solution that will keep her safely in the world she calls home.
