

Intro To Make It Happen: The First 11 Practices for Peak Performers

Despite living in a world of abundance, many people still feel unsuccessful, over scheduled, tired, and unhappy. Yet there seems to be an elite group of people who get it. They catch all the breaks, accomplish more in a day, make more money in their business ventures, bounce back from trials faster, and always have their lives in order. Are they just lucky, or is there some sort of secret most of us are missing? Michelle McCullough has spent thousands of hours studying, listening to, and learning from success experts including Stephen Covey, Jack Canfield, Brendon Burchard, Jim Rohn, Brian Tracy, Ken Blanchard, Darren Hardy, and more. She's learned that everyone has the ability to be a peak performer. All it takes is the right mindset, the right tools, and a willingness to work. As she shares 11 practices for peak performance, you too can learn how to take your business and personal life to the next level. Success is possible, so stop dreaming about it and get out and MAKE IT HAPPEN!
