

Kingdom Come: The Amillennial Alternative

The second coming of Christ is a matter of sharp disagreement amongst Christians. Many hold to premillennialism: that Christ's return will be followed by 1,000 years before the final judgement, a belief popularised in the popular Left Behind novels. However, premillennialism is not the only option for Christians. In this important new book, Sam Storms provides a biblical rationale for amillennialism; the belief that 1,000 years mentioned in the book of Revelation is symbolic with the emphasis being the King and his Kingdom.
