

## husband: A Users Guide

What you and I need is NOT more information - but Transformation. We need a completely new paradigm for living life and living marriage. As valuable as they are, more books, seminars and sermons will not do the trick. Jesus said in John 15 - ...apart from me you can do nothing. Why is it that we keep trying to find a fulfilling marriage without Him? Yes, we may have prayed a salvation prayer once upon a time - but is Jesus really the Lord of our daily, moment-by-moment life and our marriage relationship? This book is NOT about principles for living, or rules for becoming a better husband. This book is about re-connecting you with the Author of marriage, and learning how to once-and-for-all enjoy your wife, and your marriage, as it was intended by God. Most of us as husbands really don't have a marriage problem, - we have a Jesus problem.
