

## Dont Ask (Piccadilly Love Stories)

Lily believes her boyfriend Jack is perfect, but wonders why he won't talk about his past. Wouldn't it be fantastic, she thinks, if she could talk to his ex and fill in all the gaps? Lily devises a way to do just that. But what begins as a bit of fun has unexpected and disturbing consequences. . . Don't Ask is a story about love, friendship and secrets. Sometimes it's better not to ask too many questions.
