

## A family journey in Patagonia: Trekking Pumalin, Paine and Tierra del Fuego with kids

Patagonia, a land of dreams for early discoverers, for burly explorers... and even people like you and me. The right preparation and a positive attitude allowed our family to trek and enjoy- the steep trails of Cochamo and Tahua Tahua, to kayak the fjords of Pumalin, and to withstand the unpredictable Torres del Paine weather. We went to the far reaches of South America to take ourselves to the edge, and found the best of family experiences along the way.
