

## Decoys and Proven Methods for Using Them

Included are strategies and decoy spreads for hunting ducks and geese in small ponds and marshes, large open lakes, coastal bays, rivers, flooded timber, agricultural fields, and many other waterfowling settings. More than 30 detailed descriptions and diagrams of tried-and-true decoy layouts, plus information on everything from the history of decoy making to modern decoys, styles, sizes, rigging, and decoy movement make this the best how-to decoy book ever.
