

## Dumb Love

Whats funnier than true love? Dumb love, thats what. Kathleen Jeffrie Johnson offers an exuberant romp -- somewhere between a screwball comedy of errors and a modern fairy tale. In the tiny town of Brewerton, the minister needs an assistant for his Loney Hearts advice column, someone with a sympathetic, open heart and a confidential, closed mouth. Who better, Carlotta decides, than a Love Expert like herself. In fact, once Pete, her soon-to-be boyfriend -- he just doesnt know it yet -- gets a look at her, shell be the syrup on his pancake, the cream in his coffee, the crabcake at his clam bake! All she has to do is get rid of her competition: Bernice, Andrea...and Fate.
