

Dynamic Thought

Dynamic Thought is a powerful 12 week course in applying The Law of Attraction to transform your life. Henry Thomas Hamblin presents a systematic approach to bring you into harmony with the Universal Laws that rule our world. Success comes more and more easily as you become aware of these Laws and learn to utilize them. Dynamic Thought develops your personality and the personal power that sways and compels and gives you a powerful influence over the minds of others. Dynamic Thought reveals marvelous facts about the human system. Men and women achieve success according to the development of their own powers. You have as much power within you as anyone, but it is lying dormant; and this development can be attained. There are certain definite principles that rule human beings in their attitude toward each other. When once you understand these principles you can convert enemies into friends and can make almost everyone be friendly toward you.
