

Encore to an Empty Room (Exile Series)

Kevin Emerson's Exile trilogy combines the swoon-worthy romance of a Susane Colasanti novel with the rock n roll of Eleanor & Park. Filled with infectious music, mystery, and romance, the electrifying Encore to an Empty Room, the second book in the Exile series, doesn't miss a beat. Summer always wanted Dangerheart, the band of talented exiles she manages to find success. Now that they've become an overnight sensation, they are on the verge of a record deal, and all of Summer's hard work is about to pay off. All they need to do is find the next missing song. But are Caleb, the band's future, and the lost song more important than college? Summer will have to decide. It's time to choose who she wants to be, even if that might mean kissing Caleb good-bye.
