

Trollhunters (Avalon) (Spanish Edition)

Dos magos de la fantasía y el terror, Guillermo del Toro y Daniel Krauss, unen sus alucinantes mundos en una novela ilustrada para jóvenes lectores. ¿Aventura, acción y horror asegurados! La vida en el instituto siempre es complicada. Pero cuando las criaturas de la oscuridad empiezan a acechar por los pasillos en busca de carne humana entonces se vuelve terrorífica. Jim Sturges y su mejor amigo, Tub, conocen de cerca el terror. Lo experimentan cada vez que asisten a clase de gimnasia o sufren el incansable acoso de Steve y su grupo de matones. No saben que un horror mucho más espeluznante los está acechando otra vez. Hace cuarenta años, el pueblo de San Bernardino sufrió una oleada de misteriosas desapariciones, que convirtieron al padre de Jim en un ser aterrado y obsesivo. Hoy, por primera vez, Jim tendrá que tomarse muy en serio las paranoias de su padre. Porque los monstruos se afilan dientes y garras en rincones oscuros y pasillos solitarios. Y Jim está a punto de encontrarse cara a cara con ellos.
