

The Alchemy of Sacred Living: Creating a Culture of Light

The Alchemy of Sacred Living reveals the essence of the worlds most ancient philosophy in a new form for the modern world. Alchemists were the forerunners of modern science. They sought the secrets transforming matter and consciousness. They unlocked the power of the life force in order to discover the keys to perpetual life. Alchemical writings described the secret of turning base metal into gold. They called their secret the Philosophers Stone. In these pages, readers will discover a virtual Philosophers Stone enabling them to turn the experiences of life into priceless treasures of the spirit. Each chapter contains keys to unfolding the light and power of ones deeper self. By applying this quintessential energy, one can transform and invigorate every area of life. The Alchemy of Sacred Living is a map of the new consciousness containing the keys to sacred living. Those who activate their inner powers by applying these keys will be led to the threshold of ! lifes greatest secrets -- what the ancients called the Mysteries of eternal life.
