

The Love That Set Me Free: Finding God in the midst of pain and brokenness

Amandas busy life with a husband and young children came to a screeching halt as long-suppressed, painful memories came crashing to the surface. Old visions of the ultimate betrayal by trusted relatives resurfaced the wounds as fresh as though they happened yesterday. Unable to accept or even share her terrible secret, every day of silence added a brick to the prison walls of shame and fear. Will the love of God break the prison doors and set her free? And is there something more beyond freedom? This is a true story of self-discovery, healing, recovery, and restorationa story of finding Gods love in the midst of pain and brokenness.
