

The Gift Never Opened

The Universe has given all of us the most powerful gift: the opportunity for self-discovery. In this book, Graziela gives tools that you can apply in your life in order to achieve your true potential, change old patterns, program new behaviors and get new results. Graziela is an international Personal Development Speaker and also a certified: Neuro-Linguistic Programing (NLP) Practitioner, Success Coach and Hypnotherapist. The Gift Never Opened will empower you to discover your own gift. Once you open your gift, yourself, you can start creating the life you want and make a profound difference in the world. Ive poured my heart and soul into writing this book. I came to America to pursue my dreams, but instead I found myself. I share part of my spiritual journey and the tools I found to be essential for self-development. They are designed for a fast and durable change that you can carry throughout your life. All you have to do is be willing to change. Be open-minded and practice the exercises. The rest will manifest into your life. Graziela Rodrigues
