

How to Become a Talented Performer: A Formula for Early Career Success

The Talented Performer is a formula for helping anyone shape their skillset and mindset in order to be considered a top business performer, ready to help the organisation they work for to win the on-going battle for great people and great results. But how do we know what the unique blend of ingredients for the success formula is? We asked over 150 senior Human Resources, Learning and Development, and Business leaders in the UK, what they needed from their people, in order to help guarantee the success of their organisations. They responded. We shaped what they said into this book. What you now have is a guide to help you to succeed, regardless of the business sector you work in. This book coupled with some consistent effort, means that the status of Talented Performer is now within your grasp.
