

What Do Women Want From Men?: How to Make Women Happy

What Do Women Want From Men? In this fantastic book, James Umber talks about what women want from a man. In this incredibly eye opening short read, you will discover the surprising truth about how the female mind works. Did you know that women don't truly know what they want? Well there is a science behind this fact explaining why, no matter what men do, sometimes they can just never please a woman. This book is the result of years of research combined with trial and error in the field. It has resulted in some truly amazing information. The really great thing about this book, is that it covers meeting women and keeping women happy in a relationship. So with all bases covered, offering such game changing information, this book is a must-read for all men.
