

Book Writing Journal: Author Notes Guide

After years of writing many books, Bill Vincent thought it was time to release this journal to help others lay out write the book they have always dreamed of writing. Bill Vincent is the author of more than forty books and President of Revival Waves of Glory Books & Publishing This book is compiled with all the things you must think of when writing your book. From the title to the conclusion it is all here. If you think you can just sit down and write the perfect book from scratch in the order, it needs to be in, good luck with that. It is smart for any author to take some time and even take notes before actually writing. From beginning to end, you can have a good idea before you actually write your book. Even if you have written a book before, it is a good idea to use this Book Writing Journal to perfect your writing.
