

## Glass Wings

Fragile souls and tragic fates collide in these haunting, gothic stories about the enduring power of love...In this collection, a boy struggles with a dreaded affliction that comes between him and his true love; an orphan has the power to take on the sickness of others; a disfigured boy confronts the inner conflict between his need to survive and his desire to love. In an uncompromising blend of magic and realism, Glass Wings reveals love's capacity to overcome all obstacles and replenish the human spirit in the direst of times.
