

Haunted Alabama Black Belt (Haunted America)

There is a place in Alabama, a region that stretches across its lower middle from Georgia to Mississippi. It is a place steeped in history--a place where a people were enslaved, a nation was broken and a new dream of freedom was born. It is a place where the past is always near at hand. And sometimes, that past takes a moment to whisper in your ear. They call this place the Black Belt. From the Cato-Thorn House in Barbour County to the Snow Hill Institute in Wilcox County, Alabamas Black Belt has a great number of restless spirits that still haunt it. Join authors David Higdon and Brett Talley as they uncover the ghosts and hauntings of one of Alabamas most historic areas.
