

Heart and Salsa (S.A.S.S.)

Cat Wilcox has left chilly Boston for sunny Mexico and a summer of girl bonding with her best friend, Sabrina. But Sabrina has a surprise. She is accompanied by her boyfienda boyfriend Cat didnt even know existed. So rather than Sabrina and Cat spending their study-abroad semester working together at the orphan school building site, Cat expects shell be hammering nails all by her lonesome. Then she meets Aidan. Hes cute, hes smart, and hes paying her a lot of attention. Cat cant tell if hes flirting or friendly, but shes not sure it matters. Isnt it easier to be just friends? But this is enchanted Mexico and, between hiking in the rain forest, diving off waterfalls, and finishing the orphan center, its going to take a little bit of salsa spirit, and a lot of heart, for Cat to make it through the summer unchanged.
