

Heartthrob Volume One: Never Going Back Again

Callie was born with a bad heart. After it ruined her life, she went looking for a miracle: a heart transplant. Now she's got a brand new heart, but she's still stuck with a crappy job, crappy boyfriend, and crappy prospects. Enter Mercer, a mystery man who gets Callie's heart beating like crazy. As her behavior changes and their flirting deepens, Mercer reveals he's her heart donor. Only Callie can see, speak to, and touch him - and he's in love with her, a love she feels just as strongly. A master thief when he died, Mercer offers to teach Callie his criminal ways and how to turn them against her old job and kick off a nationwide crime spree. Hunted by the FBI and popping heart meds to stay alive, Callie will find out that nothing's as scary as two people in love with nothing to lose.
