

Action Keys for Success: Anointed Power (Volume 1)

There is a time to rest, there is a time to heal, there is a time to reflect and there is a time to regroup. You will learn WHY to regroup and HOW to regroup. One reason for regrouping (there are many) is to eliminate your desensitization: this book will get rid of the staleness in your life and help you develop a warrior mentality. You will learn eight (8) steps to enter the vortex of the anointing so that you can be on the cutting edge. Also, to help you create and maintain new exploits you will learn simple, but POWERFUL, ways to meditate: Godly ways that work for success in your FULL designed destiny. Do NOT miss or lose anything God has for you. If it has YOUR NAME on it ... take it! This book will show you HOW to recover loss with an added return on your investment (ROI). At the same time, you will learn how to defeat fear. WHY? Because as you start pioneering EXPLOITS you will need to know how to combat and overcome resistance from people, demons, psychological heuristics and epigenetics. You are going to learn two basic operations to perform quickly and easily every day that will PROTECT you and your new exploits. This book is NOT modeled after the many other books on success. You can apply the principles in this book and see performance immediately. The past can be turned around and loss can be recovered. This is a street publication where the rubber hits the road dealing with KEYS to success. You will develop a spirit of excellence applying these simple principles. This book is for losers who want to become winners! Why do I say losers? Because if youre NOT happy where youre at or NOT satisfied with your achievements -- then youre NOT winning. Im going to put you on your way. You dont need to buy anything else you dont need to stop eating pizza. You can even enjoy yourself and people! That BIG DREAM in your gut its ready to fly out! Hold on, you

haven't seen anything yet! Be prepared, because your enemies are going to be jealous of your GREAT success. But ... you're going to help them! We help them ... with leverage! As a bonus you will learn seven (7) steps to developing a spirit of excellence that will carry you through over 1,000 years! The NEW YOU is about to excel greatly!!!
