

## Walk a Mile In My Shoes (Im a Survivor NOT a Victim Book 1)

My life was a constant struggle, the ups and downs are being a rape victim, a cutter and falling into the worst depression I could imagine. This is my nightmare, my life. If I can help one person who reads this overcome what's holding them down, to be their voice, and to show them there is LIFE after a tragedy. Then I know I left my footprints in this world where they belong. I dedicate this to my wonderful husband Javi, I couldn't have done this without you!
