

# INCEST: The Curse of Destruction...REVERSED: An Overcomers Testimony

An Overcomers Testimony! Dont be fooled by the Title; this book covers years of pain and destruction that stemmed from the root of this selfish act, in the life of the Author, as a child. The Author reveals years of struggle through domestic violence, witchcraft, prostitution and multiple abortions, as well as severe drug addiction and mental and emotional breakdown. This book is written for individuals who have experienced the tearing away of ones innocence through sexual assault, rape and incest; and for those whose loved ones have experienced this trauma, and need a clearer, greater understanding of the depth of this pain, and the One Way to absolute liberty. Taken from the Authors personal experience as a victim of sexual assault, rape and incest whose whole life pattern was one of destruction and defeat. Her triumph over severe addiction, abuse, anguish and torment have paved the way for many to find inner healing from the shadows of their past. Sandra Cerdas story has been highlighted by Daystar Network, TBN and CBN over the years. (c) 2016 New Life Publishing 15% OFF this title, when you order from this page!
