

Career Growth Secrets from an Insider

This book seeks to answer many of the lingering questions career seekers have. Often times, the answers given are couched in HR Speak supposedly to protect the individual from getting disappointed, disillusioned or hurt. Geneva sets out to give you real responses to the tough career questions. With over 20 years experience in Global organizations cutting across Manufacturing (General Motors), FMCG (British American Tobacco), Consulting (KPMG), Telecommunications (Zain now Airtel) and Banking (Barclays Bank); Geneva borrows from her own career experience as well as knowledge gained in Talent and Career development sessions in the various organizations. All those unspoken truths that are often couched in HR Speak are unearthed in this book. Answers to questions like: - Why do lesser qualified people get promoted over me? - How do I bounce back after a career set back such as a termination or redundancy? - What do I need to do to get promoted faster? - What does it take to make it to the top 10% positions in an organization? - How do I know if I am in the right career? And many other similar questions are answered in this book. Dont allow your career to stagnate because of ignorance of the unspoken career growth laws!
