

Money: A Self-Serving Programme: Liquidity, Savings, and Investment

If you are one of those people who really wants to save money and make more of your future then this will be the book to start you off. It leads you through the understanding of money to the resolve and disciplines needed to save it. It then takes you on to an understanding of risk and then to investments. The text assumes a light-hearted approach overcoming some of the hard facts that must be faced if you are going to be a successful wealth builder.
