

I have had the privilege of working with different groups of people that believe or teach from the Bible. Many add other books and claim they are as inspired or even more so than the Bible. I have found that the Key doctrinal issue that most people differ on is Who is Jesus of Nazareth. I can spend my time trying to debate over a variety of subjects with someone, but as I have discovered if I concentrate on Who Jesus is and give an accurate description of how the Scriptures speak of Him then other subjects will not matter as much. He is the Key to Scriptural Truth. This book will give you the tools to understanding the Biblical Jesus of Nazareth. It will be an excellent reference for outreach teams Pastors and Church leaders and anyone who needs the information to the most influential person who has ever lived at their fingertips. This is a must read for any student of the Word. It will give you a greater appreciation for our Lord and friend from Nazareth. George Elias has been an ordained minister since 1981.
