

Complete Humanity in Jesus: A Theological Memoir

In Complete Humanity in Jesus: A Theological Memoir, John M. Keith examines what it means to be human in relation to the perfect humanity of Jesus, punctuated with anecdotes from experiences over seventy years of the authors life. Keith describes the quest for true and complete humanity in the contexts of our encounters with other people, our place in history, our relation to Nature, and our introspective understanding of ourselves. His autobiographical vignettes range from humorous observations to revealing, confessional laments.
