

Shadow Shifters 2: The Light Of Noon (Volume 2)

The story continues as our 3 teenagers face a danger they were never really prepared for. The action steps up as they try to figure out ways to deal with a species that threatens all of humanity. Will they arise to the task at hand or will the whole situation backfire and leave them worse off? Read the next chapter in the Shadow Shifters series to learn more secrets and find out how they deal with this new evil.
